CITY WARNS OF HAZARDOUS SLUMPING AREA

MOOSE JAW – The City of Moose Jaw has received reports of children playing in and around the slumping area at the south end of Skipton Road on South Hill.

The City advises that members of the public must keep away from this area as it represents a significant safety threat. We ask parents to talk with their children about the dangers of this safety hazard.

If you see anyone, especially children, around these slumping areas, please call the Moose Jaw Police Service at 306 694 7605. In case of emergency, call 9-1-1.
